Eaton Village Residents' Association – Friends of Donkey Lane

The aim of the Association is to protect and promote the interests of Eaton Village Residents and to protect and enhance the amenities of Eaton Village.

This includes liaising with Norwich City Council and local Councillors on matters and issues of interest to residents and the organisation of activities and events for residents such as:

Annual Scarecrow Festival
Family Fun Day and Garage Sales
Garden Competitions
Easter and Pumpkin Trails

The group helps to maintain and manage the banks and verges of Donkey Lane

Initially the Friends of Donkey Lane cleared nettles and bramble from the area and planted around 800 hedging trees and 500 bulbs to soften the effects of a new metal fence with a further 125 hedging trees planted in 2024.

The volunteers meet periodically at weekends to keep the footpath tidy and manage the planting on the banks. The aim is to maintain an attractive, manageable, environmentally friendly area, which is much appreciated by the many Eaton residents who use the footpath.
